Making Business Leaders Community Leaders Since 1905

Program: August 31 - Alexi Giannoulias, Democrat candidate for US Senate

On November 7, 2006, Alexi Giannoulias was elected State Treasurer of Illinois, becoming the youngest state treasurer in the nation at the time. He formerly was Vice President of Broadway Bank, a community bank founded by his late father over forty years ago. He is running for the United States Senate seat once held by President Barack Obama.

Alexi believes in a government that belongs to the citizens it represents. With the worst economic downturn in a generation sending shockwaves through our nation, he believes that the American people want their government standing up for them instead of for corporate special interests. The more Americans know about how their government operates—from who influences legislation to the real consequences of an enacted law—the more they can hold their elected officials accountable and ensure that their tax dollars are put to the proper use.

Giannoulias is a progressive Democrat who advocates rebuilding the economy and creating the next generation of good-paying jobs instead of returning to the policies of the past. As a candidate for Senate, Alexi has introduced his comprehensive FutureWorks plan, a detailed, common-sense economic plan to jump start the economy and create the next generation of good-paying jobs here in Illinois. Alexi's plan includes tax relief for working families and small businesses, cracking down on deceptive and dangerous corporate practices that hurt our economy, and reducing our deficit.

Alexi graduated cum laude from Boston University and earned a law degree from Tulane University's School of Law.

President David Durham, An Update

Per David's own request he has been moved to a Hospice Inpatient Center. He is no longer receiving treatments and comes in and out of being coherent. His immediate family is in town and with his wife Andra. They are spending each day with him. David, Andra and their family have expressed their heartfelt appreciation for the tremendous support of his Rotary friends. One of David's desires was to work towards being recognized by The Rotary Foundation of Rotary International as a major donor. This recognition is given to Rotarians and Rotary friends who donate \$10,000 or more. The Club officers have arranged to secure this recognition for David and he has been presented with lapel pin. Yesterday, Dave Phelps, met with Andra, David's sister and Aunt to assist them with arrangements and coordination of a Memorial Service to be held here at the Union League Club. Dave P. may call upon fellow Rotarians to assist with the service. It will be held on a Tuesday following a Saturday morning visitation, service, burial and luncheon in Cincinnati, Ohio.

Our president, David's, many friends throughout his personal life, career, Rotary and family connections have provided wonderful support to both him and his family. David's spirit and fight has been heroic.

September Fellowship Event— Gaylord India

Please join us for a special night of fellowship, Thursday, September 16th, at Gaylord India Restaurant, owned by Rotary/One Member Naren Soni. For those of you who have been to Gaylord's, you know what a treat this is – and for new people, be prepared to sample the most delicious Indian cuisine in Chicago. We would like to take this time to welcome our new members and mingle with the various Rotary/One Committee chairs so that if you are still looking for a place to jump in, you will have the opportunity to learn about all the projects and opportunities that we have going on at the world's first service club! We look forward to seeing you!

5:00 – 6:30 p.m. – Cocktails (cash bar)

6:30 – 8:30 p.m. – Dinner (please RSVP)

rsvp@rotaryone.net subject "Gaylords", cost is \$25 per person

September 7 Luncheon: Governor Pat Quinn

Pat Quinn was sworn in as Illinois' 41st Governor in January 2009, marking more than a quarter of a century of service to the state – both as a citizen and a public official.

Governor Quinn served as State Treasurer from 1991 through 1995. His Linked Deposit program helped more than 25,000 Illinois families and businesses obtain \$2 billion in bank loans to support affordable housing, small business expansion and agriculture. In 1983, Quinn

launched the drive to create the Citizens Utility Board, an organization that supports safe, reliable and affordable utility service. In 1976, Governor Quinn led the largest petition drive in state history, ending the century-old practice of allowing Illinois legislators to collect their entire salary on their first day in office.

As Governor, Quinn has focused on restoring ethics to state government. Since taking office he has passed a constitutional amendment to allow recall of a Governor and signed into law the first ever limits on campaign contributions in Illinois.

Another top priority, job creation, led to passage of Illinois Jobs Now! – the state's first capital plan in over a decade. The plan will invest \$31 billion in Illinois' economy, creating and retaining more than 439,000 jobs over six years.

Governor Quinn is an advocate for consumers, taxpayers, service members and their families. He has spearheaded countless initiatives that foster a cleaner environment and encourage economic development in historic business districts and rural communities. Governor Quinn has rallied residents to support the Illinois Military Family Relief Fund, which he created in 2003 to support our service members and veterans.

Born in Hinsdale, Quinn is a graduate of Fenwick High School, Georgetown University School of Foreign Service and Northwestern University School of Law.

Please make your reservation early to assure seating for you and your guests.
